The document must be printed on A4 paper and the option 'DO NOT SCALE' should be selected, please check accuracy by measuring against the bottom right ruler

BRACELET MEASURING GUIDE

- A cut out measuring guide making it easier for you to select the right bracelet size.
- Cut along the dotted line around the measuring guide.
- Wrap the measuring guide around your wrist, making sure the numbers are on the outside.
- Cut along the smaller dotted line located above the word 'cut here' on the measuring guide' Insert the pointed end through the slit you created at the square end of the measuring guide.
- Pull the pointed end until it fits comfortably on your wrist.
- The number of that aligns up with the edges of the opening is the size of the wrist.
- You can also use a tape measure but if you don't have one, take any small piece of ribbon or cord, wrap it around your wrist and measure the length against a ruler.

YOURA bangle size chart

To determine your bangle size, cut along the dotted line and hold against your arm to compare which size fits best. Alternatively, you can also put an existing bracelet on the ovals to compare. The inner dotted line specifies the size. Please make sure to print this at 100%. The line on the right side below can be used to verify
